KELLING HEATH

Located amongst 300 acres of woodland and heathland in an area of Outstanding Natural Beauty close to the North Norfolk coastline at Weybourne.

The majority of Kelling Heath lies on a feature known as the Cromer Ridge formed during the last ice age. The Park falls within the North Norfolk Area of Outstanding Natural Beauty and borders Kelling Heath itself, which is an extensive tract of lowland heathland designated as a site of special scientific interest. Arable fields and two Forestry Commission woodland complete the surrounding area. In developing a commercially viable destination, our aim was to do so in sympathy with the environment whilst educating our guests' and visiting organisations. In developing the infrastructure and facilities consideration has been given to those with disabilities despite the environmental constraints of the location.

BROCHURE

Kelling Heath no longer prints a full brochure only a basic tariff information sheet. If you require this in large print then please call our reservations team on 01263 588181 who will be please to provide an enlarged photocopy.

WEBSITE

The Kelling Heath website is designed to expand and fit browsers.

GENERAL DESCRIPTION

ACCEPT & CLOSE

Within the 300 acres Kelling Heath provides pitches for private holiday homes which can be purchased, pitches for touring caravans and tents and a small number of holiday hire caravans and lodges.

A range of facilities centered on the Village Square are available and an activity and entertainment package is provided.

Sound environmental management of the woodland and heathland habitat is of primary importance and the park has been developed in a way that is sensitive to and in keeping with the environment. For example, away from the Village Square and its facilities, roads and paths are typical of a natural woodland and heathland location and may not be suitable for those with disabilities.

TOURING PITCHES

Are located in three areas on flat level grassland. Pitches can be made available close to amenity building's two of which (yellow and blue) have a disabled facility with access controlled via a radar key. Parking is available for one car beside each pitch.

HOLIDAY HIRE HOMES AND LODGES

The Woodland Lodges have the more spacious accommodation they also have baths allocated in them. Parking is available beside all types of accommodation.

Only Beech and Ivy Lodge have fixed ramps, and temporary ramps cannot be fitted to the Lodges and Holiday Homes (aside from Heron10 and 20). It might also be worth noting that whilst some of our Lodges and Luxury Holiday Homes are fitted with ramps, they are not accessible or adapted accommodations.

ARRIVAL

A drop off lay by is close to the main reception, whilst parking bays are available in the main car park. Access to reception is level with no ramps. We also have an accessible lowered desk.

TRANSPORT

We are able to provide details of local taxi firms who may be able to assist with transport. Kelling Heath has its own halt on the the North Norfolk Railway and you are able to travel to Holt and Sheringham. From Sheringham you have access to the national rail network.

FACILITIES

The main core facilities at Kelling Heath centre on the Village Square. Access to the Square is level.

VILLAGE STORE

Ramp access is available to the Store. A delivery service for those with disabilities is available on request.

ACCEPT & CLOSE

THE FORGE & TERRACE & PIZZA ON THE SQUARE

The Forge & Terrace Bars offer full table service and large print menus on request. A disabled toilet facility is available. Access to the lower terrace 'The Den', pool tables and Family Fun Centre is via a ramp.
Pizza on the Square - Has level access and offers take away and table service with large print menus on request.

HEALTH & FITNESS CLUB AND OUTDOOR POOL

Access to the Health & Fitness Club and Outdoor Pool is level with no ramps. Corridors are spacious and well lit.
The Health & Fitness Club has a disabled changing room and a chair lift providing access to and from the main pool.
There is a raised area within the Fitness Studio where a ramp is provided.
The Health & Fitness Club is fully accredited with the IFI (Inclusive Fitness Initiative), their aim being "To make Fitness inclusive to all". A full accessibility audit was undertaken to determine the needs of the Leisure Club and its facilities in order to meet the IFI standards.
The fitness studio equipment has been upgraded to improve accessibility and signage around the complex has been improved.
The Leisure Staff have undertaken a CYQ (Central YMCA Qualification) in Inclusive health, fitness and disability which enables the gym instructors to assist and develop training programmes for people with a wide range of disabilities.
There is level access to the outdoor pool and guests' may use the changing room in the Health & Fitness club.

ACTIVITIES

The Park is one of five key disabled access sites in the area of Outstanding Natural Beauty through a partnership with the Norfolk Coast Project. It enjoys an easy access trail giving less able bodied people the opportunity to experience the heathland habitat and views across the North Sea from an interpretation point.

Due to the woodland and heathland habitat some of the activities may be unsuitable for those with disabilities. Staff at Guest Services or a member of the Countryside Team will be pleased to offer further advice.

EMERGENCY SERVICE

There is a 24 hour emergency telephone service available on park. Our reception is open from 9am until 8pm and after this time the Duty Manager can be contacted through the Forge facility until 11pm.
A defibrillator is located in the Village Square which a number of staff have been trained to operate.
Wheelchairs: if you require a wheelchair we recommend [Holt Mobility Centre](https://holtmobilitycentre.co.uk/products-2/) (<https://holtmobilitycentre.co.uk/products-2/>); T: 01263 588777
Mobile phone coverage whilst available at can be limited due to Kelling's rural location.
A number of key staff at Kelling Heath have attended a course in Accessibility Awareness and we aim to provide a comprehensive service.

Excellent facilities, ideal location and provides safe outdoor activities in a natural environment.

Mr N Clifford, West Yorkshire
